Dear Robert

Early in 2007, we sent you a letter (copy attached, 21 March) seeking the development of a Plan of Management for Waterworth Park. Earlier correspondence outlined the plans that we have for the riparian side of the Park.

We were subsequently advised by Council staff that there weren't resources available to develop such a plan alongside the work being done on Ewen Park's Plan of Management. Now that the latter plan has been so successfully completed, we again request that a plan be developed for Waterworth Park.

The funding referred to in the attached letter was indeed not forthcoming, because of the absence of a Plan of Management, although, as you will be aware, the Society has been very active in implementing the changes to Turrella Reserve for which funding was provided. We look forward to being able to work with Council to obtain comparable funding for the revegetation of the relevant portion of Waterworth Park at a future stage. Meanwhile we are happy to work with Council staff and other interested parties to achieve the needed Plan of Management.

Yours sincerely
