Join the many volunteers who help maintain and improve the beautiful Wollli Valley.

About the Society:

Wollli Creek Preservation Society (WCPS) aims to ensure the preservation and restoration of the natural and cultural heritage of the Wollli Creek Valley. WCPS is a not-for-profit, voluntary organisation formed in 1984 to prevent the construction of a motorway through the valley and to preserve the valley as a bushland reserve.

We welcome new members and your membership in itself provides us with valuable support, but we also invite you to become an active volunteer. Just let us know how you'd like to be involved.
